

JAMIE MARBOE-NICHOLS

Speaker | Dental Hygiene Coach | Leadership & Culture Strategist

Jamie Marboe is a dynamic leadership and dental industry speaker who helps teams work smarter, communicate clearly, and perform at their highest level. With nearly 40 years of experience, she delivers practical, energizing programs that drive measurable improvements in culture, communication, and results.

WHY EVENT PLANNERS CHOOSE JAMIE

- Nearly 40 years of clinical and leadership experience
- High-energy, relatable, and practical delivery
- Customizable keynotes and CE formats
- Immediate, implementable takeaways
- Trusted by associations, study groups, and dental organizations nationwide

NATIONAL SPEAKING ENGAGEMENTS

- Hinman Dental Meeting
- Rocky Mountain Dental Convention
- CDA Presents
- Utah Dental Association Annual Convention

Jamie Marboe, BS truly "INSPIRED" the group of Arkansas hygienists attending our Annual Session. Jamie is flexible and eager to adjust her presentation to adapt to the specific dynamics of the attendees. The group walked away with useful and practical information to be incorporated into their dental practice.

—Lea Ann Moore, RDH; Arkansas State Dental Hygienists' Association, Executive Director

Leadership That Calibrates. Teams That Perform. Care That Elevates.

SIGNATURE SESSIONS & PROGRAMS

STRENGTHSFINDER LEADERSHIP & TEAM PERFORMANCE

Build stronger teams by leading from strengths — not stress. Using the Gallup CliftonStrengths® framework, this engaging keynote helps leaders and teams reduce friction, increase trust, and unlock higher performance through strengths-based communication and collaboration. Participants gain practical tools to elevate engagement, clarify roles, and accelerate results.

Ideal for leadership conferences, healthcare teams, corporate groups, team retreats, and business retreats.

"LET THEM IN DENTISTRY"

A Smarter, Calmer Approach to Leadership & Team Dynamics
Reduce resistance, strengthen boundaries, and rebuild trust. This session equips dental teams with practical tools to create a calm, accountable, and sustainable culture.

Perfect for association meetings and full-team events.

CREATING A BULLETPROOF HYGIENE DEPARTMENT

A practical continuing education program that helps dental teams strengthen periodontal protocols, improve clinical calibration, align documentation and coding, and create consistent, defensible hygiene workflows that support exceptional patient care and protect the practice.

UNLEASH THE POWER OF HYGIENE: LEVERAGING OUR PROFESSION

Transform hygiene into the backbone of a thriving practice. Learn systems that elevate patient care, increase treatment acceptance, and drive long-term profitability, without burnout.

Ideal for doctors and full dental teams.

A PARTNERSHIP APPROACH TO PATIENT CARE

Calibrating the Entire Team from Front to Back
Align communication, scheduling, and case presentation to eliminate confusion, reduce no-shows, and create a seamless patient experience.

THE POWER OF THE CLINICAL STORY

Documentation That Connects the Dots
Strengthen documentation to build trust, reduce risk, and support confident clinical decisions through clearer communication systems.

Ideal for: Entire dental team (including business team) - CE Eligible: 3 hours

FROM DIAGNOSIS TO DIRECTION

Mastering AAP's Periodontal Staging & Grading
Implement evidence-based staging and grading to improve diagnostic accuracy, patient understanding, and defensible treatment planning.

Ideal for: Doctors and hygienists - CE Eligible: 1.5-3 hours
